# A 4000 Peak in a Day

Giordani 4046 - Vincent 4215

Balmenhorn 4167 - Ludwigshohe 4342

Reaching a peak that exceed 4000 meters of altitude is a small dream for all mountain lovers.

The Monte Rosa massif can in fact boast more than 18 peaks over 4000 meters; to climb some of these is not particularly difficult and therefore suitable for all those who want to get closer to the world of mountaineering; also using the lift till Indren Peak, you can do it comfortably in the day.

A choice between: Giordani Peak, Pyramid Vincent, Balmenhorn, Ludwigshohe.

## PROGRAM:

Meeting in the morning with a guide, check of the equipment, ascent with Indren cable car. From here, depending of the chosen route, in 3 or 4 hours of walking, we will reach the summit.

Return to the lift along the same ascent route.
